Lora From Morning Till Evening

(Bulgaria 2011)

by Dimitar Kotzev-Shosho

comedy, 93 minutes, English subtitles

Starring Milena Nikolova (=Milenita). *Lora from Morning Till Evening* tells the story of an adventure in the big city. A young woman becomes the subject of a chase - strange characters are in pursuit of trinkets she finds insignificant. Trying to decipher the mystery of the magic dice, Lora will discover so much more about herself, friendship and everything else.

Milenita & The Funky Miracle Band

Milenita is one of the rare Bulgarian women singers writing her own music and lyrics. Her style is difficult to frame - cool retro, funky jazz, upbeat electro, non-commercial pop, with a velvet feminine touch. Having grown up in Spain and Mexico, Milenita often sings in Spanish, as well as in Bulgarian, English and even Serbian. Fresh and original, Milenita is irresistibly charming!

Milenita became popular in Bulgaria with her hit song “Black Cats” and she has released two albums so far: *Do it Again* (2005) and *Gato* (2010). The third one is on its way!

Milenita’s young and vibrant band The Funky Miracle surely deserve their name!

Bring your dance shoes and get ready to go FUNKY!
