**Yellow Sisters** is a Czech female vocal group - a cappella, that floats with lightness and elegance across music styles of funk, r'n'b, world music, jazz and reggae. Sisters are sound illusionists. They experiment with melody and rhythm and seek new ways how to work with voices.

Their purely self-composed repertoire makes them the most original Czech a cappella.

So far they have released three albums: *Singalana* (2006), *Tubab Woman* (2010), *Zvěřinec* (2012)

Yellow Sisters are: Antonia Nyass, Bára Vaculíková, Léňa Yellow, Lucie Hawa Goldin

**Boris Viande** (FR) plays live trumpet whilst deejaying an eclectic mix of Balkan music, gypsy, latino, italo, russkij, celtic, rubadubstep, drumnbass, rude boy, kamikaze, franchouillard acoustic pogo...
