10 January 2023

Dear team of Cineast,

As LUkraine asbl (R.C.S Luxembourg F 9.931) we would like to express our deepest gratitude for your donation and support of Ukraine.

Since the full scale invasion, 1671 fire trucks and 442 ambulances have been destroyed in Ukraine and the numbers are increasing daily. We've launched a worldwide fundraising campaign called "Ukraine is Calling" to help Ukrainian first responders save more lives. Our goal is to raise money for 112 rescue vehicles and to send them to Ukraine to those regions which need them the most.

We would like to reassure you that your donation of
15000 Euro

is duly received to campaign's account on

06.12.2022 (14 000 Euro), 19.12.2022 (1000 Euro)

You may track our progress on ambulances and fire trucks procurement and transfer at

<https://ukraineiscalling.com/> or <https://ukrainians.lu/reports-results/>

We appreciate your involvement in social good and our life-saving project and thank you for helping LUkraine asbl in fulfilling our mission.

Yours sincerely,
LUkraine asbl
